On the 5th anniversary of the U.S. invasion of Iraq, take action to disrupt the pillars of war in Washington DC

March 19 marks the beginning of the 6th year of the US occupation of Iraq. Enough! Events begin on Tuesday, March 18 with CodePink's "Take Back the Constitution Day." On Wednesday, hundreds will descend on the IRS, the White House, war profiteers, the Supreme Court, recruiting stations and elsewhere to interrupt business as usual for those promoting and profiting from war and empire building. Focusing on the pillars of war, we are organizing direct action, civil disobedience, and other creative nonviolent actions. Whether you wish to risk arrest or not, there will be an opportunity to express your opposition to the war.
